Dear _____,

As in previous summer holidays I have released at this point my working days/dates. These dates are released by email and letter, simultaneously to all those who have requested them. If you require summer holiday coaching for yourself or for your children a speedy response is necessary. This will ensure you secure the dates and times that you prefer. In the past few years the demand has increased to such an extent that most lessons go within in the first few days.

I hope these dates prove useful. Thank you for your continued support.

Regards,

Steve Luck
